containing that exact phrase.

Use a question mark (?) in a search term to represent any one character and use an asterisk (*) to represent zero or more characters. For example, searching for Europe* will find results containing Europe and European. Wildcards cannot be used at the start of a search term or when searching for phrases in quotes.

DOIs

Search for DOIs using the format 10.3366/code.2016.0000 (do not add http://dx.doi.org/).
